Chaplaincy Program
I would like to extend a huge thank you to the following people for their time and assistance to our students doing passion projects.

- Neil Answer that you so much for making our kookaburra nesting box a reality. Your time and materials were appreciated.
- Rowan Ingram you saved 3 damsels in distress, came to their aid and saved the day with your ingenious idea. We thank you very much.
- Marion Gibbs who had so much patience and knowledge on our project that I'm not sure how we would have done it without her. Thank you Marion for your time and lending us your applique tools for the duration of our project.
- Finally, thank you to the Cotter family for your donation of pumpkins to our soup kitchen. They were made into a beautiful pumpkin soup and distributed out to the local community last Wednesday.

We really appreciate any assistance we get from our school community and I am reminded yet again that it takes a village to raise a child.
Warm regards Kelly Hyslop.
