SOCIAL & EMOTIONAL LEARNING - PARENT FORMS

Thank you to our St. Joseph's community for completing and returning the Social & Emotional Learning Parent Forms sent out last week. The information you have provided will be instrumental in the development of a diverse learning program that suits the needs of each individual student within our school.

If you have yet to return the parent form, it isn't too late. Please return at your soonest convenience. If you have any questions or would like support in completing the form, please contact Jamee or Kirsten. We are more than happy to help.

Thank you!

Jamee

BODY SCANS & READINESS TO LEARN

As a whole school, we are learning to bring attention and awareness to our body and emotions. We are also learning effective strategies to self regulate in order to learn and play at our best. Have a go asking your child about body scans and see if they can walk you through one yourself.

Today's
PRAYER

That we may know God's presence is with us as
we walk together in faith as followers of Jesus
in our school community, supporting one
another, listening to one another and sharing
our gifts and talents with one another every
day.

We ask God to strengthen us and to give us the
courage to be Christ for others in our work and
play together.

We make our prayer through Christ, our Lord.
Amen
