"Where Learning and Friendship Grow"

Dear Parents,

Many thanks to everyone!

- To parents for your assistance and co-operation during remote learning. Staff very much appreciated your open communication and willingness to help your children to achieve set goals.
- To students for demonstrating resilience and perseverance during remote learning and for embracing 'at-school' learning so readily on return. I am thrilled with the way you are finishing off the term after such challenging times.
- To staff members who have given their all again this term. Our students certainly benefit greatly from your diligence and expertise.
- To Therese Kearney, Catholic Care, for her loving support of our staff, students and families through her encouragement and guidance as well as her counselling of anyone who asks.
- To parishioners, community members and charitable organisations, like St Vincent de Paul Society and Save the Children Fund, for support and encouragement.

I hope you all enjoy restful holidays and that we all stay safe and well so that we can return as planned for Term 3.

Kind regards
Marie
