

CHILD SAFETY AND WELLBEING POLICY

1.0 INTRODUCTION

At St Joseph's Primary School, Orbost, we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our school. Our commitment is drawn from, and inherent to, the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel.

At St. Joseph's we have a zero tolerance for child abuse and are committed to acting in children's best interests and keeping them safe from harm. The School regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintain a child safe culture.

St. Joseph's commits to providing a safe and nurturing culture for all children and young people through:

1. Upholding the primacy of the safety and wellbeing of children and young people.

At all times, the ongoing safety and wellbeing of all children and young people will be the primary focus of care and decision-making, with particular attention paid to the cultural safety of Aboriginal and Torres Strait Islander children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability.

To create and maintain a safe and nurturing culture, St. Joseph's actively and continually develops and reviews policies, processes and practices, informed by emerging thinking and evidence.

2. Empowering families, children, young people and staff to have a voice and raise concerns.

St. Joseph's, in partnership with families, will ensure children and young people, are engaged and active participants in decision-making processes, particularly those that have an impact on their safety.

This means that the views of staff, children, young people and families are taken seriously and their concerns are addressed in a just and timely manner. Children and young people

are also provided with the necessary skills and knowledge to understand and maintain their personal safety and wellbeing.

3. Implementing rigorous risk-management and employment practices.

St. Joseph's will systematically and continually identify and assess risks to child safety and will eliminate (where possible) or reduce all potential sources of harm. Effective risk management will be embedded in school life through effective, transparent and well-understood policies, procedures and practices.

St. Joseph's will employ highly competent and professional staff who are trained and challenged to maintain the safety of all students. The high-quality of staff appointments will be upheld through rigorous employment and staff review processes and practices.

Specific responsibilities include:

The School's Child Safety Team

The principal, chaplain and a teacher representative are nominated as the School's Child Safety Team. They participate in specialised training with respect to student wellbeing and child protection issues. This team is the first point of contact for raising child protection

concerns within the School. They are also responsible for championing child protection within the School and assisting in coordinating responses to child protection incidents.

Staff Members

All staff are required to be familiar with the content of our Child Safety and Wellbeing Policy and their legal obligations with respect to the reporting of child abuse. It is each individual's responsibility to be aware of key risk indicators of child abuse, to be observant, and to raise any concerns they may have relating to child abuse with one of the School's Child Safety Team.

Volunteers are not responsible for supervising students and would not have "unsupervised" contact with students during the normal course of providing the volunteer service.

All share responsibility for contributing to the safety and protection of children in the School environment.

All are required by the School to be familiar with our Child Safety and Wellbeing Policy and to read and sign our Child Safety Code of Conduct, indicating that they agree to uphold the policy.

It also contains detailed procedures with respect to the reporting of child abuse incidents to relevant authorities.

Contractors, external education providers, students, parents/carers or other community members who have concerns that a child may be subject to abuse are asked to contact one of the School's Child Safety Team.

Communications are treated confidentially.

Whenever there are concerns that a child is in immediate danger the Police should be called on 000.

Other specific roles and responsibilities are named in other child safety policies and procedures, including but not limited to the Child Safety Code of Conduct, Protection of Children – Reporting Obligations Procedure, Mandatory Reporting Policy, and Child Safety Risk Register.

Our school has also established a Child Safety and Wellbeing Team and a Student Reference Group on child safety. The Child Safety and Wellbeing Team meets regularly (once a term) to identify and respond to any ongoing matters related to child safety and wellbeing. The Student Reference Group provides an opportunity for students to provide input into school child safety strategies.

Our Child Safety and Wellbeing Team monitors the Child Safety Risk Register.

7.0 CHILD SAFETY CODE OF CONDUCT

The St Joseph's Primary School Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The [St Joseph's Orbost Child Safety Code of Conduct](#) also includes processes to report inappropriate behaviour.

8.0 MANAGING RISKS TO CHILD SAFETY AND WELLBEING

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety and wellbeing policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site activities, such as school camps and excursions, and facilities and services we contract through third party providers for student use.

Yard duty rosters and expectations for all staff are reviewed and updated regularly.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our School Leadership Team monitors on a termly basis.

Digital learning policies outline the controls in place for online conduct and online safety. These policies are reviewed yearly and/or when required and are implemented through:

- [Acceptable Use Agreements](#)
- Staff undertake a privacy impact assessment for apps and other platforms in use by the school which includes the risk of access to children or personal information by people external to the school.
- Scope and Sequence for teaching and learning of Student Safety online

9.0 ESTABLISHING A CULTURALLY SAFE ENVIRONMENT

At St Joseph's Primary School, Orbost, we are committed to establishing an inclusive and culturally safe school environment where the strengths of Aboriginal and Torres Strait Islander people's histories, cultures, values and practices are respected and celebrated.

For Aboriginal and Torres Strait Islander students, we recognise that the link between the student's culture, identity and their cultural safety are critical to ensuring that they feel comfortable being themselves and expressing their spiritual and cultural beliefs.

The school creates opportunities for Aboriginal and Torres Strait Islander students, families and local Aboriginal communities to have a voice and presence in our school planning, policies, and activities.

We have developed the following strategies to promote cultural safety in our school community:

To support child safety and wellbeing at St Joseph's Primary School, Orbost, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

Strategies are in place to ensure that all student voices are listened to, including students who find it harder to speak up or be heard. We support our students to feel comfortable about speaking up and recognise that students communicate in different ways, including through verbal and non-verbal cues, play, body language, facial expressions, drawings and/or behaviours.

All students at St Joseph's Primary School, Orbost, are empowered to express their views,

contribute to school life and are encouraged to provide feedback on schoolwide decisions. We take into account student views when school decisions are made, including when developing and implementing policies and procedures.

Respectful relationships between students are reinforced and we encourage strong friendships and peer support in the school to ensure a sense of belonging through implementing our Whole School Approach to Positive Behaviour Support (**WSAPBS**), our student Code of Conduct and our school values.

We inform students of their rights through our Whole School Approach to Positive Behaviour Support (**WSAPBS**) and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at SiMON Everywhere App-Parent Knowledge Bank.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents, guardians, and carers, as appropriate) informed of progress.
